

I'm hunting shadows in the dark **F#m** D
In steaming jungles of the world A E
Either to kill or to be killed **F#m** D
By creatures never named or heard A E

To futures when your love is mine A E

CHORUS:

But you were always pretty reckless with your love **F#m** D
Come with the sun and getting restless when it's gone A E
And when you go you leave me breathless and alone **F#m** D
You leave me breathless when you close the door **F#m**
It feels just like you took the air out of the room with you C#7 D Bm

And if I follow I will surely find A E
The horses gone the fire still warm **F#m**
And you've moved on an hour before D
You like to keep me just one step behind A E
