Verse 2:

He's got all the things you need and some that you will never
 But you make him sound like frozen food, his love will last forever
 Still he knows what you want and what don't allow
 And I hope that you're happy now.

Verse 3:

He's acting innocent and proud, still you know what he's after
 Like a matador with his pork sword while we all die of laughter
 In his turquoise pyjamas and his motorcycle hat
 And I hope you're happy now because you'll soon put paid to that.
