Snare

The musical score is written for a snare drum in 12/8 time. It consists of six staves of rhythmic notation. The first five staves use eighth notes and eighth rests, with accents (>) placed above each note. The sixth staff begins with a 4/4 time signature change and includes a sequence of notes with 'R' and 'L' labels underneath, indicating right and left hand strokes. Above this staff, there are four bracketed groups of notes labeled '5', '5', '7', and '7', representing five and seven stroke patterns. The final staff continues with 'R' and 'L' labels and ends with a double bar line.
