Verse 2:  
 Today was gonna be the day  
 But they'll never throw it back to you  
 By now you should've somehow  
 Realised what you're not to do  
 I don't believe that anybody  
 Feels the way I do  
 About you now.

And all the roads that lead you there were winding  
 And all the lights that light the way are blinding  
 There are many things that I would like to say to you  
 But I don't know how.
